Dear Sir/Madam

**PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) REGULATIONS 1990 –
REGULATION 6: OWNER NOTIFICATION**

We hereby notify you of a Listed Building Consent application, which we have submitted on behalf of our client Eshott Hall Estate Ltd, relating to the settlement of Eshott. The application seeks listed building consent for:

“the extension to Eshott Hall (West Wing) to provide 4 bedrooms and extended restaurant and conference facilities. Erection of 2 holiday cottages and a Lodge House within the curtilage of Eshott Hall and the reinstatement of Carriage Drive and the Victorian bathing pool”

The applicant is required, under Regulation 6 of the Planning (Listed Buildings and Conservation Areas) Regulations 1990, to notify all owners of land within the application site. We therefore provide official notification and a site location plan. Should you wish to make representations, you have 21 days from the date of the enclosed notice to do so.

Yours faithfully
